Opt-In Class Members of  
Gallimore v. United States

Dear Opt-in Class Member:

We are pleased to report that we have submitted our motion to the Court requesting entry of judgments in favor of each Class Member. The enclosed chart lists the names and proposed gross judgment amounts for each Class Member. Please note that we have asked that the Government make all applicable tax payments and, if applicable, contributions to your Thrift Savings Plans related to these payments, so the net amounts will likely differ from the gross amounts.

After the recent shutdown, the Government's response to our motion is due on February 14<sup>th</sup>, and our reply, if any is necessary, is due on February 20<sup>th</sup>, at which point the motion will be fully submitted. Because the Government attorney has indicated it has no objection to the calculations, we would expect the Court to enter judgments shortly after the Government's response has been filed. However, the Government has now made plain that it does intend to appeal once the judgments are entered, as is its right.

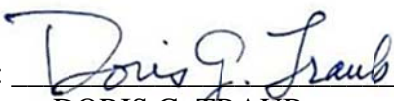

Thus, while one hurdle to payment to you as Opt-In Class Members has been overcome, we now know that an appeal will be forthcoming, which will involve legal briefing by both sides for the appellate court, oral argument and, ultimately, a decision on the appeal.

With respect to the timing of the Government's appeal, they have two months from the date of entry of the judgments to do so. After its appeal is filed, a briefing schedule will be set by the appellate court. We will notify you if and when the Government's appeal is filed and, subsequently, of the briefing schedule set by the appellate court.

Finally, as mentioned previously, upon the passing of Alan Gross, the Court has granted our motion to have Joseph Gallimore substituted as the named plaintiff, so the case is proceeding under the new caption of Joseph Gallimore v. U.S., Federal Court of Claims Docket No.: 11-715C. We thank Mr. Gallimore for his willingness to serve as the named plaintiff on behalf of all of the Class Members.

Very truly yours,

TRAUB & TRAUB PC
